

Dr. Barbara Seniors Harkins Foundation
PRESENTS THE 2018-2019
BOOK CLUB!

Book Club is BACK!!!! The Foundation hosts a Book Club for youth, ages 8-14. The purpose of our Book Club program is to promote literacy within the youth of the Los Angeles community. Each age group meets once a week to discuss their current book. The discussions are informal with the focal point being the likes and dislikes of that week's reading and how they can relate to the characters and what they're experiencing in the book. In addition to reading the book, we will have discussions, do book-related art projects and activities, field trips, Skype with the authors (if available), and have lots of fun!!

Fee: \$25.00 due at the beginning of each book. Fee Includes: Books, Snacks, Project Supplies, Arts and Crafts, and Speakers.
